Dear Resident,

Re: UDOT – 11400 South Widening Project (State Street to Bangerter)

The City has received requests to close access to two streets along 11400 South as part of the UDOT road widening project. One closure is requested at 1189 West (Marco Polo Ln. / Palisade Rim Dr.) and the second is requested at 1070 West (Chapel View Dr. / Janalynn Dr.). An open house will be held Tuesday, July 29 from 6:00 pm to 8:30 pm to provide and receive information about the possible affects of closing these streets. The open house will be held at the South Jordan Community Center (10778 South Redwood Road). You are invited to attend the open house at anytime during this period to ask questions and give written comments.

This notice letter is only being sent to property owners within 300 feet of the proposed UDOT-11400 road widening project. Please let your friends and neighbors who may not be receiving this letter know about the open house.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy Nielson".
